What does United Way do?

United Way of Kenosha County (UWKC) is dedicated to creating a community where everyone has equal access to, and participates in, quality healthcare, education and financial resources.

We work to create opportunities for a better life for everyone by engaging people from all walks of life and inspiring action to help build a better community. It's all based on the simple belief that we are stronger and can have an even greater impact together than we could ever have alone.

By working together, we can all Live UNITED.

Top reasons to give to United Way

1. Local giving, local results:

By sharing resources and expertise across our community, we can help make a difference in more lives while ensuring local donations remain invested in local programs and services. United Way of Kenosha County serves all 26 Kenosha County zip codes, spreading from Silver Lake to the City of Kenosha, and everywhere in between. Donations help make a difference right here where we all live, work, and/or play.

2. We focus on creating vital connections:

United Way of Kenosha County brings people together and inspires local action, connecting people who want to make a difference with organizations who know our community's needs best. We collaborate with local residents and partners to co-create solutions, stepping in where gaps exist and utilizing all of our unique strengths to build stronger, more resilient communities that we can all be proud of.

3. More of your money goes to where it should:

Through the work of dedicated community volunteers and numerous partnerships, United Way of Kenosha County is able to make a significant investment back into the community. We invest in local organizations that provide services in alignment with our strategic priorities. Funding requests are reviewed annually through a competitive grant process and vetted to best meet our community's needs.

4. It's easy:

You can choose the option (or options) that best suit your needs and that of your workplace. For example, payroll giving makes it easy and affordable. By giving a little each pay period, the sum of your (tax-deductible) donation is a benefit to you and the community. We also have online giving tools available, widening the variety of options available to help make your campaign a breeze. We are happy to help you find the giving option that works best for your team.

10 Steps to Improving Your Community Through a Workplace Campaign

1

Understand your workplace needs.

You know your team best! Our campaign guide serves as a resource, but ultimately, you choose what works best for you and your organization. Consider how best to reach your employees, what messages they will respond to and how to keep them engaged.

2

Brainstorm ideas.

We are happy to work with you to develop new materials and to energize your campaign in new ways. Let's bring your ideas to life!

3

Set a goal.

Where do you think your workplace campaign can grow: number of donors, number of payroll deductions, total number of dollars raised, or anything else? Set a goal, and unite your team behind it to drive motivation to reach that goal.

4

Build a team.

Running a campaign can be daunting. Find people on your team who can help you make your workplace campaign a success. Look beyond your organization's everyday leaders to find those seeking new ways to step up.

5

Engage leadership.

Senior management and other leaders can help inspire team members to join the cause. Utilize these individuals to help kick-start your campaign and set an example for others.

The number one reason people give for not donating: **“I was never asked.”**

6

Make the ask.

Asking people for their support is one of the most important, and often overlooked, aspects of fundraising. By making an ask, you give everyone the opportunity to support their community. For new donors, ask for a first-time gift. For annual donors, encourage continued support and an increased donation. See [page 16](#) for how to handle objections.

7

Share stories and impact.

Local stories help paint a picture of local impact. Share our stories ([page 8-9](#)) about the individuals and organizations that make up UWKC so your team can feel more connected. You can also create your own stories by sharing why people on your team give.

8

Have fun.

Engage your team through a variety of activities and incentives ([page 5](#)) to keep building that local love. If your team has more fun, you'll likely have more fun too!

9

Live UNITED all year round.

Outside of your standard workplace campaign, you can Live UNITED all year round through various volunteer opportunities or setting up additional giving initiatives.

10

Give thanks.

We are so thankful to have someone like you advocating for United Way of Kenosha County. Join us in thanking your team of donors for their continued support and gifts.

Your Campaign Calendar and Checklist

United Way campaigns generally take place over 1-2 weeks, but you can choose whatever length you find is best for your workplace. Always make sure you have a great campaign kick-off! Here is a sample timeline to guide your planning.

Sample Timeline:

- | | |

Event and Engagement Ideas

An important tip to running a successful campaign is to incorporate fun activities and events that engage everyone on your team. Here are a few ideas to get you on your way to planning your company's most exciting campaign yet.

1

Have A Jeans or "Spirit" Day.

Encourage team members to show off their spirit. Employees can make a donation to participate and compete for the wackiest outfit.

2

Compete in March Madness.

Create a March Madness-style bracket to stir up competition surrounding your campaign goal. Which department will come out on top?

3

Throw a Philanthro-PARTY.

Team parties complete with tasty treats, prizes and games have proven to be a fan-favorite when it comes to hosting campaign events.

4

Find a Fundraising Partner.

Restaurants, bakeries, and other shops can oftentimes host fundraisers for nonprofits. Partner with a local business that is willing to donate a percentage of proceeds from employee purchases back to United Way.

5

Decorate to Win.

Host a decorating, or a photo, contest where participants can donate to submit an entry. Then they can get to work decorating their cubicles, doors, offices, pumpkins, or anything else you decide on.

Use social media

Social media can help bring your campaign momentum. Share pictures along with your highlights and results, so all of us can join in on your FUNdraising!

Campaign in a Box

These materials are made available to help make your in-person campaign efforts eye-catching and memorable. Campaign in a Box includes: table cloth, balloons, donation box, and plastic sign holders. Contact our team to learn more and secure these items for your campaign.

Impact Stories

The following sharables highlight the impact UWKC has in Kenosha County, including our volunteers and our partner nonprofits. When you share these stories with your team, you help share how our community Lives UNITED everyday.

1 in 3 women and 1 in 9 men will be victimized in their lifetime. Kenosha County ranks as the second highest county in WI for victimization, making the work of Women and Children's Horizons (WCH) that much more critical to our community.

In 2022, WCH supported 2,000+ victims and children with emergency shelter, transitional living, legal services, food, and therapy. They also provided outreach and training to schools, law enforcement, courts, and social service agencies regionally and nationally.

In 2022, KAFASI served over 108K meals through Meals on Wheels, helped 220 families with 14K hours of support and parenting classes, provided 19K senior volunteer hours for our community, 4K rides were provided, and 126 hours of technical assistance to seniors learning to use technology.

KAFASI's programs empower people to overcome the challenges they may face and to help them understand that, regardless of age, they are a valuable part of the fabric of our community.

CAROLINE PRATT

Caroline Pratt rises above personal setbacks to give back. Caroline grew up in Kenosha County, where she learned that Kenosha's locals are a group of diverse, strong, and most importantly, united individuals, who band together when times get tough. Not only that, but she also grew up volunteering for various organizations and events alongside her family. Despite health setbacks, Caroline continues to do what she loves – volunteering and giving back.

CARLOS BROWN, JR.

Carlos uses his knowledge of business management to bring visions to life as a strategic planning intern at United Way of Kenosha County. He first joined the team in January 2023 under the guidance of faculty advisor, Joseph A Tenuta MBA, with the goal of steering UWKC's strategic plan. With his time and talent, we are on track to launch an updated vision, mission, and brand later this year. Overall, Carlos wants to help others, especially young people of color, learn financial literacy so that communities can improve their overall financial stability.

DAVID LOCKWOOD

David Lockwood creates a lasting impact in literacy. David moved to Kenosha in 2011 and has since enjoyed getting involved in our community. After the Black Lives Matter group at his church suggested that mentoring and tutoring youth is key to repairing strained relations in Kenosha, David looked for ways to do just that. He became a Readers Are Leaders volunteer in 2022 and also enjoys serving as a tutor through Kenosha Literacy Council. David finds that teaching someone to read is one guaranteed way to improve the world.

Take A Walk In My Shoes

Take a Walk In My Shoes is a game to experience real life examples of the difficult budget decisions some of us have to make each month. Even when you are working hard, the world can throw you curveballs that change your life in an instant.

1. Use your cell phone or an internet browser on your computer to complete the following activity.

2. Open your browser of choice and visit:
<http://wisconsin.makingtoughchoices.org/>

4. Read the instructions and select CONTINUE to begin exploring real life decisions

5. In each prompt, you will be asked to select one of three options from different sets of challenges.

You will be asked to make tough choices or take a risk because just as in real life, random events happen.

6. Continue walking with Alice through the entire journey

7. When you are complete, close your browser or begin the journey again to explore alternative options.

8. Take time to reflect on the decisions made and the difficult struggles many people in our community encounter on a day to day basis.

United Way of Kenosha County is here to help. We rely on data to shed light on the issues friends and family in Kenosha County experience everyday. By Living UNITED, we work towards creating a community where difficult decisions do not exist and do not divide us.

ALICE educates our children, our families, and our community members. ALICE keeps us healthy, and makes our quality of life possible. To learn more about ALICE and discover data specific to Kenosha County, please visit: <https://www.kenoshaunitedway.org/ALICE>.

Campaign Printables

The following items have been designed for you to easily print off and use around your workplace. Is there something else you'd like to see? You know where to ask!

STICKERS

The stickers below are for use on Avery sticker templates. Print them off for use during Jeans Day or to display on other wearables during your campaign. Your team will enjoy showing off their United Way Pride! Please note: this page serves as a preview. Templates are available for download from the Workplace Campaign Resource page.

POSTER (11"x17")

This poster shows your team members valuable information on our community's current challenges and our community-driven solutions that are made possible through their donations.

TABLE TENT (8.5"x11")

Here's another way to display information about our organization. Print off a table tent to place in break rooms, meeting spaces, or other common areas. The table tent includes information on "What a Dollar Buys," an impact story from Shalom Center, and can be customized in Canva to include details on how your team members can make a donation.

Campaign Video

Similar to the Annual Report, the Campaign Video provides additional insights into United Way of Kenosha County's work in our community, including a special highlight of BeLEAF Survivors and Kenosha Area Family and Aging Services.

Engage your team members by sharing this content through your company newsletters, intranet or other messaging.

Frequently Asked Questions

As you promote your workplace campaign, you may come across some questions, or maybe even some concerns. No matter the question, share the facts, answer honestly and if you don't know how to respond, contact us at United Way of Kenosha County so we can provide more information.

Q Why should I give to United Way rather than directly to my favorite agency?

A Gifts to United Way of Kenosha County support 14 results-oriented local organizations and the services they provide to address our community's most pressing needs. We have an unmatched, unique ability to work across complex issues with community partners. If everyone donated to their "favorite" agency, many recognizable, vital community services would not be available in our community.

Q How much of my contribution goes to United Way Worldwide?

A Just one percent of total funds raised are designated towards United Way Worldwide, which allows our organization to maintain our branding and access shared resources for employee development and other tools. Otherwise, the donations raised here, stay here, and make an impact right here where we all live work, and/or play. Remember, the true measurement of a charity is the amount of good they do with the donations they do receive.

Q Are all United Ways the same?

A No, each local United Way is unique to their own community. Across the country, there are approximately 1,350 United Way organizations. United Ways are in their communities to build hometown partnerships and leverage resources to create plans for long-lasting change. While we share similar logos, have similar mission statement, each United Way is independently managed and lead by local staff and volunteers.

Q I can't give a lot, so why should I bother making a donation?

A Every donation counts. Even just one dollar per paycheck can help a youth at Kenosha YMCA experience something new on a camp field trip, and that's just one example of the many impactful services your donation supports. When we bring your gifts together along with the caring power of our community, we can create a much bigger impact.

Q I love United Way! How can I get more involved?

A Thank your for your interest and support! United Way of Kenosha County recently launched a new volunteer portal: Volunteer Wisconsin. This site can serve as your source to find volunteer opportunities throughout our area.
