# UNITED

Since 1923, United Way of Kenosha County has brought our community together to serve those who need help the most.

## OUR COMMUNITY'S CHALLENGES

United Way of Kenosha County's 2024 ALICE report states that 26% of households are defined as Asset Limited, Income Constrained, Employed and 10% of households live in poverty.

**25k households** struggle to afford the basics

**Housing, substance abuse, and community services** top the list of needs according to 211

**2 out of 3 third graders** cannot read proficiently

Kenosha County **ranked #21 in the state for financial hardship** among all 72 WI counties

## OUR COMMUNITY-DRIVEN SOLUTIONS

Here is how your donations are making a positive impact in Kenosha County.

In the past year, we've:

Awarded **\$153K in grants** to local nonprofits

Helped **2.1K residents** access housing, food and other critical resources

Provided **799 hours of literacy support** to kindergarten through 3rd grade students

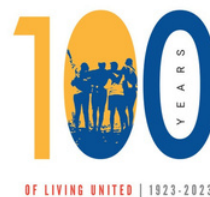

Processed more than **\$1.19M in tax refunds**

Together, we can connect diverse voices and maximize resources to collectively strengthen and uplift Kenosha County.
